WORK OVER THE MIAMI RIVER

- **WEDNESDAY, MARCH 25 THROUGH MONDAY, APRIL 6** - The contractor will be working on SR 836 over the Miami River to secure temporary barrier wall to the roadway deck. The work will take place between the hours of 9 p.m. and 5:30 a.m. A small vessel will be in the navigable channel at times that can easily maneuver out of the way of any shipping quickly. Vessels are advised to transit the area with caution, maintaining a no wake speed. There will be ongoing work on the SR 836 bridge over the Miami River as the contractor works to construct the new double-decked section over the existing roadway. Updates will be provided via our construction website, email alerts and the United States Coast Guard Notice to Mariners system.
