## **INDIAN CREEK DRIVE FLOODING MITIGATION PROJECT**

### **LANE CLOSURE:**

- Work is underway along Collins Avenue between 25 Street and 27 Street. Motorists will only be able to travel northbound on Collins Avenue in this area. Drivers traveling south will be directed to turn east on 27 Street and continue south on Indian Creek Drive.

Collins Avenue has been modified to provide one northbound and one southbound travel lane. This traffic pattern is expected to last several months.
- Traffic signage, barricades and temporary signals on Collins Avenue have been installed as part of the extended traffic plan. Ingress and egress for surrounding properties will be maintained throughout this process. Pedestrian crossings have been installed throughout the corridor as well as U-Turn opportunities at certain locations.
- Buildings along Indian Creek Drive will continue to have access through the work zone.
- North facing parking spaces on the west side of Collins Avenue between 26 Street and 31 Street will be temporarily removed and later reestablished as southbound parking spaces.
