REMOVAL OF TRAFFIC SIGNALS AT NW 1 PLACE/NW 14 STREET INTERSECTION

On Wednesday evening, October 27, the traffic signals at the intersection of NW 1 Place and NW 14 Street will be removed to allow the contractor to construct the new I-395 bridges over the intersection. Eastbound and westbound traffic on NW 14 Street will be free flow and stop signs will be placed at NW 1 Place as shown below. Traffic on northbound NW 1 Place will need to come to a complete stop at the intersection and proceed when clear. Cross traffic on NW 14 Street does not stop. This configuration is expected to be in place for approximately five months. The intersection will be closed on Wednesday, October 27 and Thursday, October 28, between the hours of 10 p.m. and 5:30 a.m. to complete the work. Drivers should follow the posted detour routes.

I395-miami.com/project-video

Please note that this schedule may change due to bad weather or other unforeseen conditions.

The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For additional information on the test pile work or the project please contact Oscar Gonzalez at 786-280-0983 or via email at ogonzalez@mrgmiami.com. Additional project information can be found on the project website, www.I-395miami.com.
