SECOND LANE ON THE STATE ROAD (SR) 836 RAMP TO NORTHBOUND I-95 OPENING ON AUGUST 4

On Thursday morning, August 4 (Friday morning, August 5 is an alternate date), a second lane on the eastbound SR 836 ramp to northbound I-95 will be opened as part of the I-395/SR 836/I-95 Design Build Project. The additional lane, a major milestone for the project, will bring much needed relief to drivers in the area that are currently experiencing heavy congestion. The second lane will add capacity and increase mobility for drivers heading north on I-95.

In addition, to opening the second lane on the ramp to northbound I-95, a second lane will be restored on the ramp to southbound I-95. Drivers should continue to use caution when driving through the area as there is active construction taking place adjacent to the travel lanes. In order to open the second lanes, the following detours will be implemented as noted below:

ABOUT THE PROJECT

The I-395/SR 836/I-95 Design-Build Project will add capacity, enhance the flow of traffic and safety and improve access along I-395, SR 836 and I-95.

To view a video of the project,
please visit:
i395-miami.com/project-video

To view updated project photos,
please visit:
i395-miami.com/construction-photos

Please note that this schedule may change due to bad weather or other unforeseen conditions.

The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For additional information on the project please contact Oscar Gonzalez at 786-280-0983 or via email at ogonzalez@mrgmiami.com. Additional project information can be found on the project website, www.i-395miami.com.
